**Index:**

- Sieve, Hydrometer, Atterberg Limits
- USCS, USDA, AASHTO Classifications
- Unit Weight, Specific Gravity, Porosity
- Standard and Modified Proctor

**Corrosivity:**

- Ph, Chloride, & Sulfate
- Resistivity

**Permeability:**

- Flexible Walled

**Soil Strength & Consolidation Testing:**

- Unconfined Compression
- UU and ICU Triaxial
- Direct Shear
- CBR
- 1-D Consolidation and Swell

**Concrete & Aggregate Testing:**

- Compressive Strength
- Gradations
- Permeability
- Calcium Carbonate
- Sodium and Magnesium Sulfate Soundness
- Swell Potential
- LA Abrasion

**Geosynthetic Testing**

- Same Day Peel and Shear Testing
